

Malbec Legacy Partnership

Every time something 'disruptive' has happened in our business over seven generations, it has created new opportunities.

A devastating fire in the Malbec vineyard on December 10, 2024, destroyed approximately **10,000 vines** and conservatively estimated have caused more than R1 million in direct damages.

By joining as a **Deetlefs Legacy Partner**, you contribute to the restoration of the Malbec vineyard to its former glory and become an integral part of the story of a **200-year-old** family business.

Invest in **20 Malbec grapevines (one lot)** by paying a **joining fee of R2000**. **Only 500 lots** are available, and you can buy more than one.

A quarterly debit order of R2000 is the key to unmatched value:

- 12 bottles worth at least R2500 (+25%) delivered free of charge four times a year.
- 1 bottle of the 2021 Signature Malbec, of which only 504 bottles are still available as part of your first 12 bottles. The 2021 vintage has been withdrawn from the market and is exclusively available to Legacy partners.
- 12 bottles of the Signature Malbec will be made available every year from 2027 at a 20% discount as a first option for club members. If the option is not exercised, it will expire and pass on to the next interested individual.
- First option on any unique release that is not available on the standard price list.

Please send an email to kobus@deetlefs.com with the number of lots you are interested in.

We look forward to sharing exceptional wines and experiences as we embark on this journey together.
