

## Malbec Legacy Partnership

Every time something 'disruptive' has happened in our business over seven generations, it has created new opportunities.

A devastating fire in the Malbec vineyard on December 10, 2024, destroyed approximately **10,000 vines** and conservatively estimated have caused more than R1 million in direct damage. The greatest loss, however, lies in the interruption of Malbec production in the years to come.

By joining as a **Deetlefs Legacy Partner**, you contribute to the restoration of the Malbec vineyard to its former glory and become an integral part of the story of a **200-year-old** family business.

Become a co-owner in **20 Malbec grapevines (one lot)** by paying a **joining fee of R2000**. Only **500 lots** are made available, and you can acquire more than one.

### A quarterly debit order of R2000 unlocks unparalleled value:

- 12 bottles worth at least R2500 (+25%) delivered free of charge four times a year.
- 1 bottle of our 2021 Signature Malbec, of which only 504 bottles remain, included in your first set of 12 bottles. The 2021 vintage has been withdrawn from the market and is exclusively available to Legacy partners.
- 12 bottles of our Signature Malbec will be available annually from 2027 at a special offer exclusively for Legacy Partners. If this option is not exercised, it lapses and is transferred to the next individual.
- Legacy Partners also receive priority access to releases that are not listed on the standard price list.

Please send an email to [kobus@deetlefs.com](mailto:kobus@deetlefs.com) with the number of lots you wish to acquire.

We look forward to sharing exceptional wines and experiences as we embark on this journey together.
